How to File Your Appeal

1. Call the Sherburne County Assessor's Office at (763) 765-4900 to discuss your property valuation and classification concerns with an appraiser before filing a formal appeal.
2. Collect evidence to support your appeal including recent appraisals of your property, recent sales of similar properties in your area, photographs showing property conditions, and any other documentation that demonstrates why your estimated market value or classification is incorrect.
3. Attend your city or township's Local Board of Appeal and Equalization meeting, which are typically held at city or township halls in April or May, to present your case and supporting documentation.
4. If not satisfied with the Local Board decision, call the Sherburne County Auditor/Treasurer's Department at (763) 765-4351 to schedule an appointment for the County Board of Appeal and Equalization meeting held on June 17, 2025 at 3:00 p.m. at the Sherburne County Government Center.
5. As an alternative to or after the County Board appeal, file a tax petition directly with the Minnesota Tax Court after receiving your valuation notice but on or before April 30 of the year the taxes are payable.
6. Continue paying your property taxes by the due dates (first half by May 15th, second half by October 15th) even while your appeal is pending to avoid penalties, as you will receive a refund if your appeal is successful.

If You're Called to a Hearing

Bring your Evidence Packet. You'll have 2–3 minutes to make your case. Keep it simple and focus on the comparable sales:

> *"Thank you for hearing my appeal. My property at 26483 W Timberhill Rd is currently appraised by the county at $365,500. However, I've gathered 4 recent sales of similar homes in the area. The 25th percentile price per square foot of these comparable properties is $351. Applied to my home's 876 square feet, this supports a market value of approximately $307,315. I've included addresses, sale prices, and details for each comparable in my evidence packet. I respectfully request the Board adjust my assessment to reflect actual market conditions."*

Tips: Be polite and factual. Focus only on whether your property's *value* is correct compared to similar homes that recently sold.

Note: Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
