If You're Called to a Hearing

Bring your Evidence Packet. You'll have 2–3 minutes to make your case. Keep it simple and focus on the comparable sales:

> *"Thank you for hearing my appeal. My property at 421 Bruce Larson Way is currently appraised by the county at $323,500. However, I've gathered 15 recent sales of similar homes in the area. The 25th percentile price per square foot of these comparable properties is $143. Applied to my home's 2,101 square feet, this supports a market value of approximately $300,984. I've included addresses, sale prices, and details for each comparable in my evidence packet. I respectfully request the Board adjust my assessment to reflect actual market conditions."*

Tips: Be polite and factual. Focus only on whether your property's *value* is correct compared to similar homes that recently sold.

Note: Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
