How to File Your Appeal

1. Contact the Mecosta County Equalization Department at (231) 592-0108 to request a property tax appeal form and confirm the exact Board of Review dates for 2026, as Michigan law requires appeals to be filed during the March Board of Review session.
2. Use the county's comparables search tool at Contact the Mecosta County Assessor's Office at (231) 592-0108 for current filing information and forms to find similar properties that sold recently to support your appeal with evidence that your assessed value exceeds market value.
3. Fill out the required Petition to Board of Review form (L-4035) which must include your property information, opinion of value, and detailed reason for the appeal with supporting documentation such as appraisals or comparable sales.
4. Collect evidence including photographs of property condition, professional appraisals, comparable sales data, and any documentation of property defects or damage that supports your claim that the assessed value exceeds 50% of true market value.

5. Call the Mecosta County Equalization Department at (231) 592-0108 to schedule an appointment for your Board of Review hearing during the March session, as hearings are typically by appointment only.

6. File your completed petition and supporting documents either in person at Room 135, 400 Elm Street, Big Rapids, MI 49307, by mail (postmarked by deadline), or as directed by the assessor's office before the Board of Review session ends.

7. Present your case to the three-member Board of Review at your scheduled appointment time with all supporting evidence, including comparable sales data and documentation showing your property's assessed value exceeds its true market value.

If You're Called to a Hearing

You'll have 2–3 minutes to make your case. Bring any supporting documents — appraisals, contractor estimates, or photos of your property's condition:

> *"Thank you for hearing my request. I'd like to request a review of my property's assessed value at 15830 22 Mile Road, currently appraised at $45,000. I believe the current assessment may not reflect my property's condition and current market conditions in this area. Comparable sales data for properties like mine is limited, which means both this assessment and any market estimate carry significant uncertainty. I've brought supporting documentation for the Board's review and respectfully request that my assessment be reconsidered."*

Tips: Be polite and factual. If you have a recent appraisal, contractor estimate, or photos showing property condition issues, present them. Focus on why the assessed value may not reflect your property's actual condition and market.

Note: Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
