How to File Your Appeal

1. Go to https://appealportal.jocogov.org to create an account and access the electronic appeal system, or alternatively visit the county's main appeal page at https://www.jocogov.org/department/appraiser/property-information/property-value-appeals if the portal link doesn't work.
2. Fill out the Informal Appeal form either online through the appeal portal by searching for your property using quickref number, parcel number, address, or owner name, or complete the back of your Notice of Appraised Value and mail it to Johnson County Appraiser's Office, ATTN: Hearing Coordinator, 11811 S Sunset Dr., Suite 2100, Olathe, KS 66061.
3. Include supporting evidence such as recent comparable sales of similar properties in your area, photographs of property conditions, professional appraisals dated January 1, 2026, and documentation of any property defects or issues that may reduce market value.
4. Participate in a 20-minute hearing with a county appraiser either in-person at 11811 S. Sunset Drive, Olathe, KS or by telephone to present your evidence and discuss your property's characteristics and fair market value.
5. Wait for the county's written decision which will be mailed by May 20, 2026, as required by state statute KS 79-1448, and review the results of your informal appeal.
6. If dissatisfied with the county's decision, file an appeal with the Kansas State Board of Tax Appeals Small Claims Division within 30 days of the mailing date using the form and instructions provided by the county with your decision letter.

Owner Name	Alex Morgan
Reason for Appeal	Request for review of assessed value

If You're Called to a Hearing

You'll have 2–3 minutes to make your case. Bring any supporting documents — appraisals, contractor estimates, or photos of your property's condition:

> *"Thank you for hearing my request. I'd like to request a review of my property's assessed value at 1770 North Lennox Street. I believe the current assessment may not reflect my property's condition and current market conditions in this area. Comparable sales data for properties like mine is limited, which means both this assessment and any market estimate carry significant uncertainty. I've brought supporting documentation for the Board's review and respectfully request that my assessment be reconsidered."*

Tips: Be polite and factual. If you have a recent appraisal, contractor estimate, or photos showing property condition issues, present them. Focus on why the assessed value may not reflect your property's actual condition and market.

Note: Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
