How to File Your Appeal

1. Contact your specific municipality's assessor office within Hillsborough County to obtain the property tax abatement application form since New Hampshire handles property tax appeals at the local town level rather than the county level.
2. Fill out the abatement application form completely with your property information, current assessment value, your proposed fair market value, and supporting documentation including comparable sales, appraisals, or other evidence showing your property is overassessed by more than 10% of fair market value.
3. Submit the original signed abatement application form to your municipality's assessor office by March 1, 2026 deadline with all supporting documentation, ensuring it is postmarked by the deadline if mailed.
4. Wait for your municipality's decision on your abatement application, which they must make by July 1, 2026, or your application will be deemed denied if no response is received by that date.
5. If your municipal abatement is denied or deemed denied after July 1, 2026, file an appeal with the New Hampshire Board of Tax and Land Appeals at 107 Pleasant Street, Concord, NH 03301 by September 1, 2026 deadline.

If You're Called to a Hearing

Bring your Evidence Packet. You'll have 2–3 minutes to make your case. Keep it simple and focus on the comparable sales:

> *"Thank you for hearing my appeal. My property at 20 Dodge Street is currently appraised by the county at $441,000. However, I've gathered 10 recent sales of similar homes in the area. The 25th percentile price per square foot of these comparable properties is $187. Applied to my home's 2,250 square feet, this supports a market value of approximately $419,733. I've included addresses, sale prices, and details for each comparable in my evidence packet. I respectfully request the Board adjust my assessment to reflect actual market conditions."*

Tips: Be polite and factual. Focus only on whether your property's *value* is correct compared to similar homes that recently sold.

Note: Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
