A note about comparable sales: Limited comparable sales data was available in your area but was insufficient for a formal evidence packet. You may reference recent sales in your neighborhood during your informal review.

How to File Your Appeal

1. Call the Finney County Appraiser's Office at (620) 272-3517 within 30 days of receiving your property valuation notice to request an informal hearing about your property's assessed value.
2. Meet with a county appraiser at 311 N. 9th Street, Garden City, KS 67846 to present evidence why you believe your property value is incorrect, and receive documentation supporting the county's valuation.
3. If you disagree with the informal hearing results and own a single-family residential property, file an appeal with the Kansas Board of Tax Appeals (BOTA) Small Claims Division within 30 days of receiving your informal hearing results letter using the form included with your results.
4. Review the Evidence Packet included with this filing guide — it contains comparable sales data already prepared for your appeal. Bring it to your hearing.
5. Present your evidence at the Small Claims hearing which will be scheduled within 60 days of filing your appeal and held in Finney County or an adjacent county, with a decision issued within 30 days after the hearing.
6. If unsatisfied with the Small Claims decision, file an appeal to the Board of Tax Appeals Regular Division within 30 days of receiving the Small Claims decision using the form provided with your decision notice.
7. Instead of appealing the notice of value, you may file a Payment Under Protest form with the Finney County Treasurer at 311 N. 9th Street, Garden City, KS 67846 when paying your taxes, or by January 31 if taxes are paid through escrow.

If You're Called to a Hearing

You'll have 2–3 minutes to make your case. Bring any supporting documents — appraisals, contractor estimates, or photos of your property's condition:

> *"Thank you for hearing my request. I'd like to request a review of my property's assessed value at 305 W Mary St, currently appraised at $572,667. I believe the current assessment may not reflect my property's condition and current market conditions in this area. Comparable sales data for properties like mine is limited, which means both this assessment and any market estimate carry significant uncertainty. I've brought supporting documentation for the Board's review and respectfully request that my assessment be reconsidered."*

Tips: Be polite and factual. If you have a recent appraisal, contractor estimate, or photos showing property condition issues, present them. Focus on why the assessed value may not reflect your property's actual condition and market.

Note: Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
