## How to File Your Appeal

1. Call the Franklin County Property Valuation Administrator at (502) 875-8780 to confirm your current property assessment value and request the 2026 Open Inspection Period dates which typically begin the first Monday in May for 13 days including Saturdays.
2. Schedule a mandatory conference with the PVA during the Open Inspection Period by calling (502) 875-8780 or visiting franklincountypva.com to discuss your assessment and present supporting documentation such as recent appraisals, comparable sales, or photos showing property condition.
3. Collect evidence to support your claim of lower value including recent appraisals, photos of property defects, insurance policies, current real estate listings, sales data from comparable properties in your neighborhood, income/expense statements, and original construction costs of improvements.
4. Attend your scheduled conference with the PVA at 313 West Main Street, Room 209, Frankfort, KY 40601 (or by phone if arranged) to present your documentation and attempt to reach an agreement on your property's assessed value.
5. If no agreement is reached at the PVA conference, file Form 62F031 (Appeal to Local Board of Assessment Appeals) with the Franklin County Clerk at 315 West Main Street, Frankfort, KY 40602 no later than one workday following the conclusion of the Open Inspection Period.
6. Attend your Board of Assessment Appeals hearing which convenes 25-35 calendar days after the inspection period ends, where you must present factual evidence to support your claim of value before a three-member panel appointed by local officials.

## Your Property Details for the Appeal Form

| **Owner Name** | Alex Morgan |
| **Reason for Appeal** | Request for review of assessed value |

## If You're Called to a Hearing

You'll have 2–3 minutes to make your case. Bring any supporting documents — appraisals, contractor estimates, or photos of your property's condition:

> *"Thank you for hearing my request. I'd like to request a review of my property's assessed value at 216 Lindenwood Ln. I believe the current assessment may not reflect my property's condition and current market conditions in this area. Comparable sales data for properties like mine is limited, which means both this assessment and any market estimate carry significant uncertainty. I've brought supporting documentation for the Board's review and respectfully request that my assessment be reconsidered."*

**Tips:** Be polite and factual. If you have a recent appraisal, contractor estimate, or photos showing property condition issues, present them. Focus on why the assessed value may not reflect your property's actual condition and market.

**Note:** Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
