How to File Your Appeal

1. Visit https://www.tax.ny.gov/pdf/current_forms/orpts/rp524_fill_in.pdf to download Form RP-524 (Complaint on Real Property Assessment) or call Suffolk County Real Property Tax Service Agency at (631) 852-1551 for assistance obtaining the form.
2. Call your specific town assessor's office to confirm the exact grievance filing requirements and procedures, as each of Suffolk County's ten towns has different requirements and processes for handling appeals.
3. Fill out all sections of Form RP-524 including property details, grounds for grievance, market value estimate, and proposed assessed value, ensuring you provide supporting documentation such as recent comparable sales or property appraisals.
4. File completed Form RP-524 with your town assessor's office or Board of Assessment Review before May 20, 2026 (the third Tuesday in May), either in person or by mail ensuring it is received by the deadline.
5. Attend the Board of Assessment Review hearing on May 20, 2026 with your supporting documentation to present your case, or authorize a representative by completing Part Four of Form RP-524 if you cannot attend personally.
6. Wait for the Board of Assessment Review's written determination which typically arrives in late summer or early fall and must include a statement of reasons for their decision.
7. If dissatisfied with the Board's decision, file a Small Claims Assessment Review (SCAR) petition with Suffolk County Clerk's Office within 30 days of the final assessment roll publication for a $30 filing fee.

Your Property Details for the Appeal Form

Property Address	22 Springfield Rd, Brentwood, NY 11717
Owner Name	Alex Morgan
Reason for Appeal	Request for review of assessed value

If You're Called to a Hearing

You'll have 2–3 minutes to make your case. Bring any supporting documents — appraisals, contractor estimates, or photos of your property's condition:

> *"Thank you for hearing my request. I'd like to request a review of my property's assessed value at 22 Springfield Rd. I believe the current assessment may not reflect my property's condition and current market conditions in this area. Comparable sales data for properties like mine is limited, which means both this assessment and any market estimate carry significant uncertainty. I've brought supporting documentation for the Board's review and respectfully request that my assessment be reconsidered."*

Tips: Be polite and factual. If you have a recent appraisal, contractor estimate, or photos showing property condition issues, present them. Focus on why the assessed value may not reflect your property's actual condition and market.

Note: Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
